

Bowden Brompton Community School provides an engaging and relevant educational option for students who are unable or unwilling to access mainstream schooling.

Beach Campus

- Located in Christie Downs
- It is a year 7 to 12 campus and has an enrolment of 28

OUR PURPOSE:

Bowden Brompton Community School strives to instil the values of respect, responsibility and resilience in student who are disengaged from traditional schooling through flexible approaches to education.

Our team provides nurturing learning environments using tailored trauma-informed teaching, positive education and wellbeing practices, inspiring students with complex and unmet learning needs to re-engage with school.

OUR VISION

BBCS will provide a learning environment which empowers students to develop the skills required to make positive life choices and contribution to their community.

OUR MISSION

BBCS provides a learning environment that promotes student well-being and ignites students' passion for learning through positive relationships and student driven curriculum. We support all students in a new beginning for a positive future.

The school emphasises positive relationships between all members of the school community. Staff focus on setting the conditions for positive student engagement through actively listening and dealing with issues in a calm and logical manner.

Students are expected to act responsibly and are supported to achieve this in their learning pathways and through their adherence to the school's Code of Cooperation.

BBCS ENROLMENT PROCESS

Students under 16 years of age:

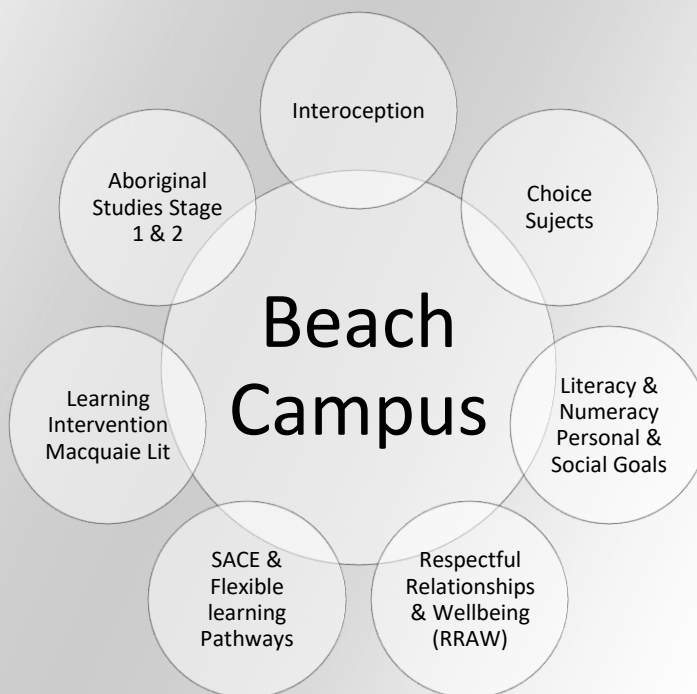

Students under 16 years of age are referred by a Department for Education assigned Behaviour Coach (BC) who consults with the current school and the family. The Behaviour Coach arranges the enrolment meeting through the appropriate Head of Campus.

Students 16 to 17 years of age:

Students over 16 years of age may self enrol at the school. Enrolment is dependent on available places. Enrolment is conditional on attending an inter- view appointment and a clear mapping of learning goals to be achieved within the school's SACE and VET curriculum.
