Dear Parents and Caregivers,

As we begin the 2026 school year at Bowden Brompton Community School, I would like to extend a warm welcome to all students, families and community members. It is a privilege to have your children learning with us, and we look forward to a positive, productive and inspiring year together.

I wish to express my sincere appreciation to all parents and caregivers who participated in our recent round table goal-setting meetings. Your involvement and partnership are vital as we work together to support each student's individual learning goals. These conversations form a strong foundation for the year ahead, enabling us to personalise our approach and ensure every student receives the support they need.

Thank you also to parents that completed the enrolment paperwork so promptly. Your cooperation makes a real difference, ensuring a smooth start for all and allowing us to focus on delivering high-quality learning and support from day one.

If you have not yet had the opportunity to visit your local campus to finalise consent forms, please reach out to your child's care group teacher or support officer to arrange a suitable date and time. We appreciate your attention to this important step and are here to assist with any questions.

We look forward to continuing our strong partnership with all families and the wider community throughout 2026. Together, we are creating a supportive and inclusive environment where every student can thrive.

Please see the next page for our term 1 important dates.

If you have any questions or require any support, please do not hesitate to get in touch.

Kind regards,

John Leondaris
Principal
