2026 Governing Council Meeting - 2.00 pm

**Monday 23rd February at the
Torrens Road Campus, Brompton**

Our nominated representatives have an important role in providing a parent perspective on school policies and operations. It also allows us to seek feedback on, and input into, a range of issues which may arise during the year.

Our AGM is scheduled for 1:00pm on Monday 23rd February 2026, following the AGM our first Governing Council meeting for 2026 will take place at 2:00pm.

This year there are a number of vacancies for parent representatives, and I encourage you to consider nominating.

Please contact the Torrens Road Campus on (08) 8346 4041, declaring your intention to attend or nominate for Governing Council, or you can complete the nomination form via the link below:
