

Dear Parents and Caregivers

I regret to inform you that an external contractor who attended our site has been arrested and charged with aggravated indecent assault of a child. The individual was employed by an external service provider and did not work with children and young people.

This incident does not involve any students at our site and there is no evidence at this stage to suggest any student at our site is involved. However, I am concerned about the welfare of all students at our site because they may have had contact with the contractor at one time or another.

Police are investigating the matter. The contractor is prevented from engaging in any child related work and has been instructed not to attend any department site. I will keep you informed of the progress of the prosecution.

If you have any concerns about the safety and welfare of your child, please feel free to contact me directly at the site. Alternatively, you may seek advice from one of the services below:

- Your local GP
- Kids Helpline on 1800 55 1800 or at www.kidshelp.com.au
- Child Protection Service – 8204 5485 (Southern) / 8282 2566 (Northern) / 8161 7346 (Central)

If you have any information that may assist the police investigation, please contact SA Police by calling 131 444.

Please treat this as confidential. I ask that you do not distribute this letter or post it on a website or social media platforms.

Yours sincerely

Jason Rowe
Principal
