Dear Parent/Carer,

Re: Wellbeing and Engagement Collection survey

Our students have been invited to take part in the **Wellbeing and Engagement Collection (WEC) survey**. The survey will open during **Weeks 2 to 5 of Term 2 (Monday 4 May to Friday 29 May 2026)**.

Purpose of the survey

Young people's wellbeing is an important part of how they learn at school. The survey seeks students' views about their wellbeing and their engagement with school.

Students in years 4 to 12 across the state will be invited to participate. The information collected will help the education system and the broader community better support young people's health and wellbeing.

What is the survey about?

The survey asks students about their social and emotional wellbeing, school relationships, engagement and learning at school, physical health and wellbeing and after school activities.

How will students complete the survey?

Teachers will arrange for students to complete the survey during class time. Students will be asked if they would like to participate and are free to withdraw at any time.

If you do not want your child to participate, please contact the school as soon as possible after receiving this letter.

Will students' information be kept confidential?

Student responses will be kept confidential. School staff will not have access to individual responses.

Survey results will not be provided to participating schools with fewer than five students completing the survey to maintain confidentiality.

What will happen if a student is distressed during or after the survey?

The survey includes some questions on topics such as student happiness and bullying.

Teachers will inform students that:

- if they find the survey uncomfortable or distressing, they should exit the survey immediately
- participation in the survey is not compulsory
- students can skip any question they do not wish to answer.

Students who would like to speak to an adult about any concerns will be supported to do so.

Where can I get more information?

More information on the Wellbeing and Engagement Collection can be found at [Wellbeing and engagement collection overview and results](#) or can be collected from the school.

For questions or concerns, or to view the questions, please email: Education.WECSA@sa.gov.au
