Term 2 Holiday Program – Beach campus

On the first day, students travelled to Victor Harbor for a fishing excursion. They enjoyed spending time outdoors, learning basic fishing skills, and encouraging one another throughout the day. The experience provided a great opportunity for students to build friendships.

On the second day, students visited Bounce, where they participated in a variety of fun physical activities. The sessions encouraged teamwork, communication, and active participation, with students supporting and motivating each other while completing challenges.

Day 3 we were at the Aquatic Centre. Students enjoyed spending time in the pool, racing down the waterslides, and challenging themselves on the inflatable fun run. The day was filled with laughter, teamwork, and plenty of opportunities to build confidence while staying active. It was wonderful to see everyone encouraging one another and making the most of the fun activities on offer.

On the last day students headed out for a shopping trip then worked together to prepare and cook a delicious meal, practising important life skills such as budgeting, planning, food preparation, and teamwork. The cooking session was a great success, with every student taking pride in creating and sharing their finished dishes. It was a fun and rewarding way to finish the holiday program.

Term 2 Holiday Program – Little Para campus

Our holiday program at Little Para this term was memorable for our students and staff. We had an amazing time exploring the Zoo, catching Toy Story 5 at the cinemas, using the VR headsets and the Wii, and finishing off with an epic D&D and board game day.

It's great to see our students' building relationships and exploring their interests together during the break.

Our 50th Anniversary celebration

On Friday, 26th June, we proudly celebrated our school's 50th Anniversary, welcoming back our founding Principal Pat Thomson, former staff, past students and their families.

The evening was a tremendous success, with guests sharing memories, reconnecting with old friends, and reminiscing about the rich history of our school. It was a wonderful celebration of the people and moments that have shaped our community over the past 50 years.

I express my gratitude to all for your hard work, dedication and ongoing support.

Kind Regards

John Leondaris
